About Savosolar

Savosolar with its highly efficient collectors and large-scale solar thermal systems has taken solar thermal technology to the next level. The company's collectors are equipped with the patented nano-coated direct flow absorbers, and with this leading technology, Savosolar helps its customers to produce competitive clean energy. Savosolar's vision is to be the first-choice supplier to high performance solar installations on a global scale. Focus is on large-scale applications like district heating, industrial process heating and real estate systems – market segments with a big potential for rapid growth. The company primarily delivers complete systems from design to installation, using the best local partners. Savosolar is known as the most innovative company in the business and aims to stay as such. The company has sold and delivered its products to almost 20 countries on four continents. Savosolar's shares are listed on Nasdaq First North Growth Market Sweden with the ticker SAVOS and on Nasdaq First North Growth Market Finland with the ticker SAVOH. www.savosolar.com.

The Company's Certified Adviser is Augment Partners AB, <u>info@augment.se</u>, phone: +46 8-505 65 172.

IMPORTANT NOTICE

This release or the information contained therein shall not be distributed, directly or indirectly, in Australia, Canada, Hong Kong, Japan, New Zealand, Singapore, South Africa or the United States. The information contained in this release do not constitute an offer of, or invitation to purchase any securities in any area, where offering, procurement of or selling such securities would be unlawful prior to registration or exemption from registration or any other approval required by the securities regulation in such area. This release is not an offer for sale of securities in the United States. Securities may not be offered or sold in the United States absent registration or an exemption from registration under the U.S. Securities Act of 1933, as amended, and the rules and regulations issued by virtue of it. Savosolar has not registered, and does not intend to register, any offering of securities in the United States. No actions have been taken to register the shares or the offering anywhere else than in Finland and Sweden.

The information contained herein shall not constitute an offer of, or invitation to purchase any securities in any jurisdiction. This release is not a prospectus and does not constitute any offer, invitation or investment advice to subscribe for or purchase securities. Investors should not subscribe for or purchase any securities or make any investment decisions referred to herein except on the basis of information contained in a prospectus issued by Savosolar.
